Owing to the fact that a number of
meetings of importance were sched-
uled for this afternoon, the regular
meeting of the Promotion Committee
was not held today.

Alexander & Baldwin received a
cablegram yesterday, noting the ar-
rival of the Texan with the second
half of the Mexican cargo. October
beats were quoted at 10 s., and the
market weak; raws unchanged.

According to a representative of
the Oahu Cemetery Association, the
rate which it is proposed to charge
the G. A. R. for the care of its plots
in the Oahu cemetery is \$48 a year
instead of a month as stated in an
article published yesterday. The old
soldiers have been paying a dollar a
month for the care of their com-
rades' graves, and this in the opinion
of the Association, does not cover
the cost.

**INTEREST RATE
INCREASES; BOND
PRICE DECREASES**

Duller market for the new Ha-
waiian bond issue than had been ex-
pected in the East is the forecast of
indications now according to com-
munications and a large assortment
of newspaper clippings received by
mail this morning from Territorial
Treasurer Conkling by Governor
Frear.

These indicate, the Governor ex-
plains, that the tendency of the rate
of interest on the mainland is up-
ward, or in other words, that the
price of bonds is downward. There
has been so much prosperity and so
much money required in the indus-
tries that the increased demand has
sent up the rate interest for such
purposes.

At the same time the increase in
the cost of living has been such that
the people feel they must invest in
the industries and other industries
bearing a higher rate of interest,
rather than in the more secure gov-
ernment bonds, which bear a low
rate.

Consequently there is less demand
for government bonds. Conkling,
however, is doing his best to interest
the people in the bonds, and is
advertising them well.

If this condition continues up to
the date of issue of the first block of
Hawaiian bonds, it is considered
likely that local investors may have
an opportunity to bid for some of
the Hawaiian issue.

**MARKET DULL;
PRICES GOOD**

Again recess sales overshadow
those of the board today. Brewery
stock sold up a quarter at the ses-
sion to 20.50 for 10 and 10 shares.
Ewa made a like advance to 31 for 15
shares. Sales between boards show-
ed Pineapple advanced two points to
43 for 100 and 5 shares. Oahu eased
back to its former position in a sale
of 10 shares at 28. Hawaiian Com-
mercial is unchanged with sales of
10 and 30 shares at 44. Hawaiian
Sugar dropped half a point to 42 for
50 and 10 shares. Tanjong Olok
Rubber came down a couple of pegs
in a sale of 25 shares at 37, which
still looks good for rubber stock of
\$20 per value.

PIG DISCOVERS CURE.

It was a pig that discovered that

about the radium and nitro in which
Sir William Ramsay has been lectur-

Bladud, who cured himself of leprosy
by following the example of a herd of
swine that wallowed in the black
marsh where Bath now stands.

stage robbers is limited—unless he
has invited two or three chorus girls
